

Coronavirus (COVID-19) Information

We are following the directions of the Florida Department of Health and taking all necessary precautions and measures to ensure the safety of our students, employees, and community. We will continue to keep this page updated in addition with our automated phone service notification to ensure that you receive these important messages. Please ensure that we have your current emergency contact information on file.

Call your Doctor if you develop these symptoms or have been in close contact with a person known to have coronavirus or if you have recently traveled to an area with a wide or ongoing outbreak of the virus. You may also call the state's dedicated coronavirus call center at 866-779-6121; this line is available 24/7. For questions related to coronavirus on a local level, please call the Florida Department of Health at Polk County's information center 863-519-7911. This information center is available Monday through Friday 8 a.m. – 5 p.m.
